## Blessing to everyone!

Hope everyone enjoyed the Memorial holiday weekend! Because of the holiday we didn't host our standing Monday Zoom 6FITS' town hall gathering. So here's some important updates:

- **Our next 6FITS initiative is set for Saturday, May 30th** in the street by noon! Ground Zero will be hosting along State Street in ESTL. (Mayor Eastern will be organizing final block captains this week!)
- If you ordered T Shirts online, they will be ready for PICK UP this Friday 10 am – 4 pm at East STL City Hall
- **WE NEED YOU TO BE THERE AND TO ENCOURAGE OTHER TO MEET US IN THE STREET!**
- The following cities confirmed their participation in the Saturday, May 30<sup>th</sup> 6FITS Initiative: South Central Los Angeles, Tacoma, Dallas (if you know anyone who lives in these areas please email/text their contact to: [6FITS@6feetinthestreet.com](mailto:6FITS@6feetinthestreet.com) or have them register at the website: "6feetinthestreet.com" right away!)
- Our focus for the 2<sup>nd</sup> Initiative is: 2020 U.S. Census participation, bring attention to the COVID19 testing facilities in ESTL, distribution of PPE materials and information concerning how to reduce the spread of COVID in black and brown communities.
- Our 3<sup>rd</sup> 6FITS Initiative is schedule for Saturday June 27, 2020. Currently there are over 15 city's local government and faith-based leaders that have shown interest in participating!

As always we all solicit your prayers, your participation and your presence as we all work together for a better quality of life for those continue to suffer disproportionately in the wake of the COVID19 pandemic.

My God's Richest Blessings Be Yours!
